Lane Closures on Westbound Eisenhower Expressway between Bloomingdale Road and Irving Park Road

CHICAGO – The Illinois Department of Transportation (IDOT) announced that overnight lane closures will take place on the westbound Eisenhower Expressway (Interstate 290) between Bloomingdale Road and Irving Park Road (Illinois 19), in Addison and Itasca, beginning, weather permitting, Friday, June 17. The closures are necessary to perform pavement repairs.

Beginning at 11:59 p.m. on Friday, the two right lanes of the westbound Eisenhower Expressway will be closed between Bloomingdale Road and Irving Park Road until 10 a.m. Saturday, June 18.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
